Sir,

Subject Purchase of flexible sewer ~~road~~ road equipment from Messrs Garlick & Co , Madras

---

1) At present chokages in the underground sewer lines are being attended to by the pipeline establishment which consists of one suboverseer, four maistries and 22 sweepers The method adopted for cleaning is very crude Whenever there is a chokage detected it is being relieved actually by ramming bamboos or rods in the lines As a result, the stoneware pipes are often damaged leading to unnecessary expenditure for replacement Thus the present system is neither efficient nor cheap in the long run Further, gradually, underground system is being extended But no improvement has been made in the matter of having a satisfactory maintenance arrangement

2) In view of these considerations, I contacted certain firms to find out if they could supply us mechanical equipment of the type in use in modern cities Messrs Garlick & Co Madras, quoted for flexible sewer rod equipment costing Rs 15,525/- F O R Bombay Descriptive literature in this behalf was also obtained and it is understood that Bombay has been using similar equipment for some years past A reference was made to the Drainage Engineer, Corporation of Bombay He has certified that the equipment has been working satisfactorily in the city Therefore a proposal was placed before the Managing Committee and the Council for purchasing flexible sewer rod equipment from Messrs Garlick & Co , Madras, at a cost of Rs 15,525/- F O R Bombay and this has been approved

(2)

vide Council resolution No 950 dated 30-11-54 copy enclosed The descriptive literature sent by the firm as also a copy of the quotation are also enclosed The expenditure could be met by re-appropriation from the Savings under the following heads

Rs 10,500 under E2 (2)(b) Pay of additional sweepers (not spent as no appointments have been made)

Rs 2,000 under E2 (3)(b) Maintenance of sewers

Rs 5,000 under E2 C (8) Purchase of bullocks not yet made

(3) I request that orders of Government may kindly be obtained approving of the resolution

Yours faithfully,
